(**He/she**) will be returning to Colombia at the end of his holiday in Europe.

During (**his/her**) stay in London, (**he/she**) will be staying in (**dirección del invitante en UK**).

I confirm that (**he/she**) has sufficient funds to support (**him/her**) self during (**his/her**) stay in UK/Europe and if needed, I undertake to meet any additional expenses (**he/she**) might incur, without the need for access to public funds.
